OBJECTIVE

To utilize my Python programming skills as a fresher to contribute to innovative software solutions and grow in a dynamic and challenging environment.

EXPERIENCE

Software Developer: Numeric Infosystem PVT. LTD   *(JAN 2022 – DEC 2022)*

- Implemented a Django framework-based website catering to medical applications.
- Acquired proficiency in Django framework, gaining expertise in its functionalities.
- Engineered a user-friendly interface allowing efficient database-driven medicine searches on the site.

Web Development Intern: LetsGrowMore   *(JAN 2023 – MAR 2023)*

- Developed a single-page website, emphasizing a streamlined and cohesive user experience.
- Engineered a web application using create-react-app, showcasing proficiency in React.js.
- Implemented a registration form utilizing HTML, CSS, and JavaScript, with data seamlessly displayed on a designated sample page, demonstrating comprehensive front-end development skills.

EDUCATION

ITM GWALIOR   *(2020 – 2024)*

Course: B. Tech (C.S.), 8.19 CGPA

PUBLIC CONVENT H.S. SCHOOL   *(2019 – 2020)*

Grade: 85.6%

RAMAKRISHNA VIDHYA MANDIR   *(2017 – 2018)*

Grade: 61.8%

SKILLS

Language: Python, PySpark, C++, HTML, CSS, JS.
Database: MySQL, SQL.
Frameworks: Django, Flask, React.js.
Tools/IDE: VScode, Colab, PyCharm, Jupyter Notebook, GitHub, GIT.
Data Visualization: PowerBI.

PROJECTS

MEDASSIT   *(Apr 2022 – Jun 2022)*

- Spearheaded the development of a medical-focused website as a Django developer.
- Executed a comprehensive project that spanned three months, resulting in a highly efficient solution for medical applications.
- Leveraged Django, JavaScript, and Python to achieve the successful development of this project.

CAR RENTAL SYSTEM   *(JAN 2022 – MAR 2022)*

- Designed and implemented a template for a car rental management system.
- Developed features for scheduling car rental dates, times, and pickup locations.
- Utilized HTML, CSS, and JavaScript in the project's development process.

CERTIFICATE

- Certified in AWS Academy Cloud Foundations.
- Certified in Salesforce developer virtual internship.
- Course completion of basic python from Infosys.
